

The Best Jobs for Every Personality Type

I **INTROVERTS** often enjoy working alone or in small groups, prefer to focus on one individual task at-a-time and like a more deliberate pace.

E **EXTROVERTS** feel invigorated by people, work at a quick pace and prefer multitasking.

S **SENSORS** focus on facts and details and are rooted in reality. They apply common sense and past experience to develop practical solutions to problems.

N **INTUITIVES** like to focus on the big picture and possibilities. They value innovation, see patterns easily and use creativity to solve problems.

T **THINKERS** use logical analysis to objectively weigh pros and cons and they value integrity, consistency and fairness.

F **FEELERS** tend to be sensitive and cooperative, using their personally values to gauge how others will be effected by their actions.

J **JUDGERS** are usually prepared and organized, like to follow through with plans and are comfortable following most rules.

P **PERCEIVERS** typically keep their options open, prefer to act spontaneously, and like to make flexible plans.
