

INTERN MANAGEMENT SYSTEM

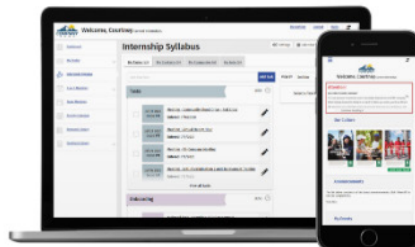

More than Software. Industry-Leading Support and Best Practice Advice.

Developing and deploying successful internship programs can be challenging. GradLeaders and Intern Bridge partnered to simplify this process for companies with easy-to-use tools based on insights from more than 300,000 interns and over 25,000 employers.

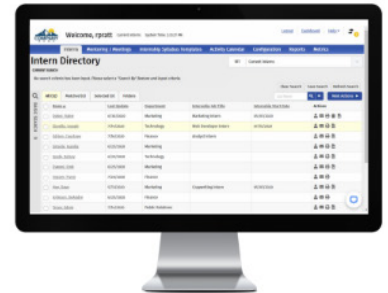

Supervisor + Mentor Portal

Company-branded portal for supervisors/mentors that allows for unique types/access levels.

Intern + Alumni Portal

Company-branded, mobile-ready portal for your current interns plus tools to stay engaged with alumni.

Intern Directory

Searchable database with customizable profiles, note-taking, activity tracking, and more.

Email Campaigns + Text

Create, send, schedule, and automate highly-personalized communications to your interns.

1-on-1s + Team Meetings

Allow mentors/supervisors and interns to schedule and manage their own calendars.

Surveys + Evaluations

Create surveys and collect data using embedded surveys or external SurveyMonkey integration.

Resource + Document Library

Provide specific user groups easy access to important links and manage their own documents.

Internship Syllabus

Give interns a tool to manage daily task lists, projects, automate follow-ups, and track progress.

Reporting + Metrics

Flexible canned reports and metrics dashboards for student/employer activity, data exports, and more.

Best Practice Advice

Based on the Total Internship Management Methodology utilized by over 7,500 employers nationwide.

Industry-Leading Support

Dedicated account managers, quarterly business reviews, live chat, guided walkthroughs and more.

Exclusive Partner Network

Connect with other internship experts, employers, schools, and industry thought leaders around the globe.
