Brainstorm your ideas comprehensively from market sizing to business financials

Founder's Toolkit Builder

Generate pitch decks, executive summaries, marketing taglines, investor emails instantly

Pitch Practice & Refinement

Practice investor and customer pitches, get real-time feedback, perfect your story and delivery

Jul 30, 2024

What is the projected growth rate of the market?

Answer Summary: The product discovery market is expanding at a 25% growth rate, with the existing \$10 billion being allocated to various channels such as paid marketing, billboards, offline marketing, customer marketing through emails and reviews, marketplace ads, and acquisition channels. The market is healthy and growing with a double-digit growth rate.

Taglines

- "Discover the Best, Trusted by the R..."
- "Unlock the Power of Community-D... Recommendations"

Pitch Deck

Problem: Finding a good physical product is difficult due to the large number of options available.

The task of each entrepreneur is to create a product for consumers to find the right product.

Market Validation: Primary research with 100 people of the target audience revealed that all of them have the problem. 20% spend over \$500 on research, 30% struggle to discover new products, and 50% of them feel anxious due to similar products with varying reviews.
